

ULTRALIGHT TRIKE ADDON FOR OPERATION FLASHPOINT

Notes:

This Ultralight Trike is a non-commercial addon which adds three new units to the game Operation Flashpoint™. It is unsupported by Bohemia Interactive and/or Codemasters. This addon is supplied with no support and I (the creator) can not be held responsible for any damage this addon might do to your computer. You may use this addon for your own non-commercial, personal, use. All rights remain to me (the creator). You are not allowed to distribute this addon in any way (this includes provision of this addon for download on a website, or anything similar).

Installation:

To install this addon simply copy the file "trike.pbo" into the Addons folder of your Operation Flashpoint installation. You can choose the three units then in the editor from the menu Resistance/Air/UL Trike (X).

Disclaimer:

Operation Flashpoint™ Copyright © 2001 Bohemia Interactive Studio and The Codemasters Software Company Limited ("Codemasters"). Some parts of the addon are made by BI Studio. All other copyrights and trademarks are property of their respective owners. All rights reserved.
